

Sr. UI/UX Designer / UI/UX Designer

Do you have the passion to build exceptional quality web applications? If yes, we would love to have you on our team.

You'll need to have

- 1) 4+ years' experience in designing for digital products and closely working with product, engineering, QA to deliver customer delight
- 2) Hands on experience in creating style guides, wireframes, prototypes, documentation etc.
- 3) Experience with tools like Adobe Photoshop, Illustrator, Figma, Sketch, Canva etc
- 4) Excelled in designing for desktop, iOS and Android
- 5) Ability to translate business requirements into intuitive user experience
- 6) Strong communication skills and ability to clearly communicate design processes, ideas and solutions to internal and external stakeholders
- 7) Strong visual design and UI portfolio to be presented during the interview

The ideal candidate is

- 1) A team player who takes pride in their work, has an eye for detail and a sharp mind
- 2) Comfortable in a fast-paced entrepreneurial environment that requires improvisation

In return we offer

- 1) A work environment with the region's best
- 2) A highly competitive salary commensurate with experience and travel perks
- 3) An opportunity to shape the future of travel

Who are we

Musafir.com was founded in 2007 as the UAE's first premium-experience travel website and has expanded across the region over the last ten years.

We are currently pursuing an ambitious expansion plan in India and the Middle East, and are looking for talented professionals to help deliver our vision of the next generation of travel services.
